Dear Valued Community Partner,

We are pleased to invite you to be part of something both meaningful and fun. On Saturday, July 17, 2026, we are hosting a Comedy Fundraiser—an evening to bring people together, share laughter, and support a local not for profit organization that had made a significant difference in our community: The Well-Being HUB.

The HUB gives people in our community a place to go when they need support. Every day, The Well-Being HUB supports residents of our local community navigating life's challenges, especially seniors and their families and support network. Whether someone is facing mental health concerns, searching for the right services, or supporting seniors to age-in-place in their own homes, the HUB is there.

This important work is only possible with the support of community partners like you.

We are reaching out to invite you to sponsor this event and play a direct role in sustaining and strengthening these services. Sponsorship provides an opportunity to showcase your organization's commitment to community well-being and to be recognized as part of a positive and uplifting event. Sponsors will be acknowledged across event promotions wherever possible, including social media, Eventbrite, post event media, and during the event itself.

We are offering a limited number of sponsorship opportunities at each level. The deadline to secure sponsorship is **June 30, 2026** with promotions and ticket sales having already begun. With the event approaching quickly, we encourage you to confirm your participation.

If sponsorship is not possible at this time, we hope you will support The HUB by attending or sharing our attached poster with your networks. Tickets are [on sale now](#) for \$25 each and a group of 10 ticket option for \$225.

If you are interested in sponsoring or purchasing tickets, we would love to connect with you. Please also feel free to get in touch with us at denise.vanwychen@nshealth.ca or 902-891-0372 if your organization is interested in collaborating with The HUB in a different way.

Sincerely,

Denise VanWychen, Well-Being HUB Board Member
